*In the case of a student having both an ACCUPLACER Arithmetic (AR) and an Elementary Algebra (EA) score, the Arithmetic score will be used for placement. **Students with an AR score will determine math placement into CCAP 0010 or MATH 0083.** Otherwise, students with only an EA score will be used to determine math placement.

**Students scoring into Intermediate Algebra (ACT math equivalent 17-18) have the option to take: Intermediate algebra or CA/QL with the Co-req (this is preferred)

If student has AR (arithmetic) score, they will enroll in CCAP or Foundations of Math. IF <31 EA → Use AR score
