

UAHT PLACEMENT CHART FOR ENGLISH AND READING 2021-2022 Catalog

SUBJECT	ACT	ACCUPLACER	NEXT GEN ACCUPLACER- Table 5	COMPASS	COURSE PLACEMENT
Reading	0-14	0-46	200-230	0-62	*CCAP 0020 CCAP Reading
Reading	15	47-69	231-244	63-72	**ENGL 0093 Foundations of Composition ACT English 0-15 or equivalent also REQUIRED
Reading	16-18	70-77	245-250	73-82	***ENGL 0071 English Composition I Co-req ACT English 16-18 or equivalent also REQUIRED
Reading	19-36	78-120	251-300	83-99	ENGL 1013 English Composition I ACT English 19-36 or equivalent also REQUIRED
English/Writing	0-15	0-75	200-244	0-59	**ENGL 0093 Foundations of Composition ACT Reading 15 or equivalent also REQUIRED
English/Writing	16-18	76-82	245-250	60-79	***ENGL 0071 English Composition I Co-req ACT Reading 16-18 or equivalent also REQUIRED
English/Writing	19-36	83-120	251-300	80-99	ENGL 1013 English Composition I ACT Reading 19-36 or equivalent also REQUIRED

***Degree seeking students scoring 0-14 reading ACT or equivalent must enroll in CCAP 0020 CCAP Reading and pass before taking Foundations of Composition. It is recommended for students to take a placement exam after completing CCAP.**

****Foundations of Composition: Course that combines Literacy and Advanced Writing. ENGL 0093 Foundations of Composition requires two scores: 15 ACT Reading or equivalent AND an ACT English 0-15 or equivalent.**

***** ENGL 0071 English Composition I Co-req: This course requires two scores, an ACT 16-18 or equivalent placement score in Reading AND an ACT 16-18 or equivalent placement score in English/Writing. Each English Composition I Co-req section is paired with a specific English Composition I section that students must enroll in.**

UAHT PLACEMENT CHART FOR MATH 2021-2022 Catalog

ACT	ACCUPLACER	NEXT GENERATION- AR/QAS Table 4	COMPASS	COURSE PLACEMENT
MATH 0-14	AR 0-30	200-246 AR	PA 0-20	*CCAP 0010 CCAP Math
MATH 15	AR 31-120 EA 0-36	247-300 AR OR 234-236 QA		**MATH 0081 Math Health Professions Co-req
MATH 15-16	AR 31-120 OR EA 0-62	247-300 AR OR 234-249 QA	PA 21-40 OR AL 0-25	MATH 0083 Foundations of Math
MATH 15-18	AR 31-120 OR EA 0-76	247-300 AR OR 234-262 QA	PA 21-99 OR AL 0-40	***MATH 0071 Quantitative Literacy Co-req
MATH 16-36	EA 37-120	237-300 QA	AL 21-99	MATH 1083 AAS Math Health Professions
MATH 17-18	EA 63-76	250-262 QA	PA 41-99 OR AL 26-40	****MATH 0051 College Algebra Co-req
MATH 19-36	EA 77-120	263-300 QA	AL 41-99	MATH 1053 College Algebra MATH 2013 Math for Teachers I MATH 1153 Quantitative Literacy

Please see an advisor for appropriate math placement.

Next Gen Math Subtests:

AR= Arithmetic

QA=Quantitative Reasoning, Algebra, & Statistics

In the case of a student having both an ACCUPLACER Next Gen Arithmetic (AR) and a Quantitative Reasoning, Algebra, and Statistics Next Gen Algebra (QA) score, the Next Gen Arithmetic score will be used for placement.

Students with a Next Gen AR score will determine math placement into: CCAP 0010 Math, MATH 0081 AAS Math Health Professions Co-Req, MATH 0083 Foundations of Math, or MATH 0071 Quantitative Literacy Co-Req according to math track determined by degree of study.

Otherwise, students with only a QA score will be used to determine math placement.

(IF <234 Next Gen QA → Use Next Gen AR score)

***Degree seeking students scoring 0-14 Math ACT or equivalent must enroll CCAP 0010 Math and receive a “pass: before advancing to either Foundations of Math or Quantitative Literacy + Co-Requisite or AAS Math Health Profession + Co-Requisite. It is recommended for students to take a placement exam after completing CCAP.**

**AAS Math Health Profession Co-Requisite Courses: ACT 15 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific AAS Math Health Profession section that students must enroll in.

*** Quantitative Literacy Co-Requisite Courses: ACT 15-18 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific Quantitative Literacy section that students must enroll in.

****College Algebra Co-Requisite Courses: ACT 17-18 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific College Algebra section that students must enroll in.
