

## Questions and Answers Regarding RFP Addendum

1. Does UAHT have an overall square footage targeted?  
Approximately 233,571 square feet.
2. Have you established a proposed budget for the technology building?  
Budget for technical building is \$2.5 to \$3 million.
3. Will site visits be permitted prior to submitting proposals?  
Site visits are permitted. Contact Brian Berry at [brian.berry@uaht.edu](mailto:brian.berry@uaht.edu) or 870-722-8227 to schedule a site visit.
4. Will UAHT be short listing for interviews? If so, is there a date in mind for interviews?  
A short list for interviews will be selected and interviews are expected to be held October 10 and 11.
5. Could you please describe any new construction projects completed on campus in recent years?  
The two most recent projects completed are the Professions Building (TKP) on the Texarkana campus and the Rapert Library renovation and expansion on the Hope campus.

The Rapert Library project changed the main entrance of the Library to face the campus, addressed water intrusion issues, converted a break room to a student study lounge and added a 600 square foot reading room/waiting area. The total cost of the project was \$337,000, and it was completed in June 2019.

The Texarkana Professions Building was a new construction project completed in 2016 at a cost of \$4 million. It is a three-story, 20,000 square foot building housing general classrooms, health professions simulation labs, faculty offices, an industrial professions lab, and a computer lab.

6. Will the opportunity for solar now be considered for all locations rather than limited to Hope?  
Solar is being considered for **both** campuses.
7. If the opportunity for solar expands to all locations, do you plan to provide more utility data for all meters?  
Utility data for the Texarkana campus is available at [https://www.dropbox.com/sh/xn6cfg5z8rgqn2u/AAAbZ5yidb96\\_DK6QE2zcG0ca?dl=0](https://www.dropbox.com/sh/xn6cfg5z8rgqn2u/AAAbZ5yidb96_DK6QE2zcG0ca?dl=0)
